# Mission I'mPossible

If you **CHOOSE** to accept it....

## 7 Habits @ HOME

*"We can take one of two roads in life: One is the broad, well-traveled road to mediocrity, the other the road to greatness and meaning."*

— Stephen Covey

### WHAT is MISSION I'M POSSIBLE?

This is a collaborative communication platform to engage teachers, parents, caregivers, students and the greater Leader in Me community in the sharing of the Leader in Me, 7 Habits philosophy. The Mission's aim is to **spotlight** and provide **easy access** to information from various sources to educate, inspire and ignite the desire to live and breathe the habits at school, at home and life in general.

**HABIT** - "A settled or regular tendency or practice, especially one that is hard to give up". Oxford Dictionary

One theory suggests that it takes **21 days to make or break a habit**. This is our opportunity to actively participate and instigate '**real change**' in behaviour. A united front moving forward, toward the goal of having 7 Habits as second nature in every aspect of our lives. Just like brushing our teeth each day... ☺

**Mission I'mPossible** is about 'choosing' to engage in thinking differently, being creative in our approach to reinforce the 7 habits and believing that it is **Possible**. We know that the philosophy works, the proof is in the success of the Parktone Primary School Community to date. It is now time to take it that one extra step towards greatness.
