Strength to Lead

Chorus
In everybody there's a space
In our world I'll find a place
And every day is a chance for me to be a leader
There is greatness in us all
Let us answer to the call
We will find the strength to lead within

Verse 1
I can choose which way to go (H1)
The choice is up to me
Keep the end in mind (H2)
Be the master of my dreams
Planning and working towards what is best (H3)
Keeping our eye on the quest

Chorus

Verse 2
Living life to help our friends (H4)
Brings happiness to all
Listen with our heart's ears (H5)
Keep an open mind to all
Building, combining (H6)
Together we'll make
Something that's worthy and great

Chorus

Renew yourself by taking time (H7)
Balance is the key
You can be the best
If you believe
