Teaching Children to Read Accurately and not to guess at words!

Presented by Liz Chapman - experienced RWI teacher

Read Write Inc. Phonics (RWI) is an evidence-based mainstream and highly effective synthetic phonics program for teaching reading, writing, spelling and comprehension. It is used by more than a quarter of the UK's primary schools and is designed to create fluent and accurate readers, confident speakers and keen writers.

RWI provides an instructional method that is structured, sequential, cumulative and explicit. It covers teaching of the 44 sounds and corresponding graphemes in English and the skills of blending and segmenting needed for reading and spelling.

A complete literacy program for 4 – 7 year olds learning to read and also for catching up slow progress readers, RWI aims to get all children reading, spelling and writing FAST.

Enrichment, Education, Excitement - Become a Volunteer Host Family!

World Education Program (WEP) is inviting you to experience another culture in your own home by becoming a volunteer host family to an international student arriving in July 2015. Our students from Canada, Denmark, Ecuador, Italy, Belgium, the USA, and France are looking forward to experiencing life in Australia, making new friends and becoming a member of an Australian family soon.

"Wonderful - joyous - heartfelt. An absolutely wonderful idea and so beneficial for all involved, from family to school friends. We truly feel Enrico is another member of our family."

- Marie - host mother of Enrico (Italy)

Hosting Is Fun! Find Out more!

Getting to know your student before he or she arrives brings fun and joy to everyone involved. To help you make this important decision, contact WEP today to receive a full information pack for your family.
