Students had a wonderful first week back at school. We focused on The Leader in Me and creating our new class goals, our individual learning goals and our individual personal goals. The students created their own role plays when discussing the 7 Habits. Students also worked very hard within Numeracy– with the focus on Measurement and wrote a persuasive writing piece.
7 HABITS AT HOME

Each class is learning our School Vision and Mission statements. Each class has their own mission statement. This helps give us direction and remind us what we want to achieve. Here are some tips to Begin with the End in Mind and write a family mission statement.

- What does our family want to be known for?
- How do we treat each other?
- What unique contributions can we make?
- What big goals do we want to achieve?
- What unique talents and skills do we have?

A sample mission from The Leader in Me Parent Guide: We want to be the kind of family our dog already thinks we are. The mission of our family is to create a nurturing place of order, love, happiness, and relaxation, and to provide opportunities for each person to become responsibly independent.

Science Fact from Ms Ziogos

Did you know that the Moon appears to have more craters and scars than Earth because it has a lot less natural activity going on, the Earth is constantly reforming its surface through earthquakes, erosion, rain, wind and plants growing on the surface, while the moon has very little weather to alter its appearance.

Other reminders/notices

Homework

Students are still encouraged to complete their reading each night! Mathletics is also set for all students.

Japanese Day

Tuesday May 5th will be our Japanese Day! More information to follow.

Special Religious Instruction

Special Religious Instruction is beginning in week 3 for Grade 3 students.

Soccer Clinic

Students in Grade 3 will be participating in a soccer clinic on Tuesday afternoons for the next 2 weeks! This will be replacing their PE class for these weeks.

Art room supplies needed

If you have any spare stockings that could be donated to the art room it would be very much appreciated.

Enjoy your week.

Mr Curry, Miss Scheffer and Miss Southward

---

Congratulations to our Stars of the Week!

3C Ella Wells for your amazing persuasive writing piece. Well done Ella!

3S Adam Livermore for being a Proactive student in all areas of schooling. You Synergise well with all of your peers and are a wonderful Lead-

3SO James Bunn for actively and eagerly participating and contributing to the class.
