Volunteer Board Members Wanted!

Are you a member of the community wanting to give back, maintain your skills whilst at home with children, or gain new skills and experience?

The Aspendale Gardens Community Service Inc (“AGCS”) is seeking a number of volunteer board members for our committee. Being a board member provides the opportunity to be part of a leadership team that works towards improving services for our community. It is also a great way to meet new people and develop new skills and experience.

We are looking for volunteers from across our community, and would especially like to see members become involved in development, marketing, information technology and/or general duties.

Sub-committee members or general volunteers are also welcomed. We have a range of exciting new programs underway and would love new ideas regarding the new Youth Cove, redevelopment of our preschool gardens and community kitchen.

If you are interested in becoming a board member or would like further information, please contact our office or email enquiries@agcsinc.org.au.

We look forward to hearing from you!!!
