Grade 3
Home Communication
16th February, 2015

Students in Grade 3 had a wonderful week completing a proactive activity with their buddies, we also focused on odd and even number which the students enjoyed presenting their findings. The Grade 3 students began working towards achieving their class goal.
Habit 1 is Be Proactive- “I am in charge of me.” This Habit is the key to moving from dependence to personal reasonability. This means the child is in charge of their choices, the consequences of those choices, how they respond in every situation, and their personal belongings.

Ways to apply at home:
Allow choices: would they like the blue plate or the yellow, would they like to go to bed now or in 10 minutes, would they like to read or do a puzzle. It doesn’t matter how large or small the choice, practice matters. They can begin to take charge of what is going on in their own life.

Science Fact from Ms Ziogos
Here are two interesting facts about foods that we eat.

Did you know that cutting onions releases a gas which causes a stinging sensation when it comes into contact with your eyes. Your body produces tears to dilute the irritant and remove it from your eyes.

Did you know that pumpkins are usually labelled as vegetables but they contain seeds and are technically fruit.

Other reminders/notices
Assemblies Postponed
Our whole-school assemblies will begin in a few weeks. With a large section of the assembly area fenced off it is not a functional space for 500 children and 150 parents to gather. We are patiently waiting for the building works to be completed.

Smart Words
Smart Words will begin in the next few weeks. We have put in an order for our new books and we are currently awaiting their arrival.

Homework
For homework this term students will be required to complete the Mathletics tasks set for the week and read every night. On top of this students have also received a Leader In Me Project that needs to be completed by the 16th of March. The project has been explained to the students, and comes with a marking rubric however if you have any questions about it you are more than welcome to communicate them through the diaries or come in and visit before or after school.

Enjoy your week.

Mr Curry, Miss Scheffer and Miss Southward
