

Dear Parents,

Parktone Primary School is holding a **Waste-Free Lunch Challenge**.

Each **Wednesday**, we ask that your child's lunch contain as few items as possible that must be thrown away. Ideally, your child's lunch will only contain items that will be eaten, composted or recycled.

Examples of how to pack waste-free lunch items are provided in Term 1's Nude Food Preparation Notice which can be seen on the P.P.S. website. Reusable containers are a handy way to pack a waste-free lunch.

The Waste-Free Lunch Challenge is one of Parktone's Sustainability Education initiatives. By participating, students will have a better understanding of how we can take action to reduce our waste. Waste-free lunches also save money and promote healthy eating.

If you have any questions, about the Waste-Free Lunch Challenge, please don't hesitate to email [parktone.ps@edumail.vic.gov.au](mailto:parktone.ps@edumail.vic.gov.au) with attention to the 'Sustainability Team'.

Thank you for supporting your child's participation in Parktone's Waste-Free Lunch Challenge.

Yours sincerely,

The Sustainability Team
