Students in Grade 3 had a wonderful week learning the different types of learners and students identified what type of learner they were. We began the persuasive writing process, which will be continued this week. Students enjoyed revising addition and subtraction.
Choose an area of improvement at home, for example, painting a wall, a system for making lunch in the morning, saving up to buy something special, etc. and this is the goal (the end in mind). Write down ideas with your child regarding what steps need to be followed to achieve the goal.

**BEGIN WITH THE END IN MIND:**

- Choose an area of improvement
- Write down ideas with your child

**Science Fact from Ms Ziogos**

Did you know that the brain uses over a quarter of the oxygen used by the human body.

Your heart beats around 100000 times a day, 36500000 times a year and over a billion times if you live beyond 30. Two very active body organs.
