Students in Grade 3 continued to spend time with their buddies. They brainstormed and wrote a persuasive writing task, using persuasive devices they had previously learned. In maths we did chance and discovered the language associated.
7 HABITS AT HOME

1. Start a regular exercise program with your child.
2. Pick an organisation to volunteer with for you and your child.
3. Visit a museum or art gallery or try a new type of cuisine—expand your horizons and try new things.

Science Fact from Ms Ziogos

Did you know the largest single living organism in the world is the Honey Mushroom fungus in Oregon, USA (covering 8.4 km and growing for 2,400 years.)

Reminder:

Casual clothes on Friday. Please bring a gold coin donation.

Early finish on Friday 2.30. Assembly at 2.15

Enjoy your week.
