The Parktone Community has learnt a lot about the 7 Habits and we are learning how to apply these habits at school and in our daily lives. The ideas included here are to help your family use these habits at home.

Pick a chore or task that you have not been asked to do. Do it before you are asked. See if someone noticed. Talk with your family about your choice or the task you chose to do.

**Science Fact from Ms Ziogos**

Did you know that the three largest oceans on Earth are the Pacific Ocean (largest), the Atlantic Ocean (second largest) and the Indian Ocean (third largest). Found in the Pacific Ocean, the Mariana Trench is the deepest known point in the world’s oceans. Water covers around 70% of the Earth’s surface.
