**Trivia Night**
Last Saturday the Parktone Parent Group organised a major fundraising event. 150 parents, friends and teachers came together for a night of competition and fun. The goal of this year’s fundraising program is to purchase a quality public address/sound system. In Term One the Student Representative Council (Beacon Team) put a proposal to School Council. The students asked if School Council would purchase a new sound system to support: student led assemblies; lunchtime dance and movement clubs; Leadership Days; and other special events and theme days. The chosen system will have capacity to record and mix students’ voices for graduation and performing arts ceremonies and concerts. A dedicated team of parents worked diligently, to ensure the night was an outstanding success, raising approximately $10,000. A special thanks must go to:
- Briony Hunter
- Ali Hill
- Peta Tabuteau
- Maricel Syrett
- Leanne Ray
- Yvette Harding
- Emily Shepard
- Meetu Pandeu
- Brooke Smith

Capital Works Report
As we entered stage one of the $4,000,000 building project, community members were provided the opportunity to voice concerns, ideas, and aspirations about the future development. A report comprising community input, current asset management information, and projected student enrolments, will be submitted to the Department of Education next week. The report will be used as a guide for the nominated architect to contextualise and consider, when drafting concept maps and plans. The report will be made available to the school community shortly via the school website and Compass.

Thought for the Week
