Friday 26th June
Subway Lunch

CONGRATULATIONS

We would like to congratulate all grade 6 students on a fantastic semester 1. All students have shown great development and growth and we are proud of what they have achieved.

We hope that all families have a safe and happy holidays and we look forward to seeing everyone next term for a new and challenging semester.

MATHS COMPETITION

A notice went home last week about a maths competition. We would like to encourage as many grade 6 students as possible to participate in this competition. If your child is wanting to participate, please sent the slip and $5 into school by WEDNESDAY 24th June.

STEAD LEAD CONFRENCES

Student Lead Conferences will be held in the first week on term 3. To book an appointment with your child’s teacher you will need to log onto Compass and secure a time. A notice about this will be sent home.
HOMEWORK

While there is NO set homework this week we are encouraging all children to read for 30 minutes a night and record it in their reading log.

It is vital that ALL grade 6 children know their times-tables, please practice, practice, practice!

7 HABITS AT HOME

The Parktone Community has learnt a lot about the 7 Habits and we are learning how to apply these habits at school and in our daily lives. The ideas included here are to help your family use these habits at home.

Demonstrate how saying the same phrase in a different tone of voice can give the phrase a completely different meaning. Try emphasizing different words in the phrase “I didn’t say you did it” and then have your child tell you how the meaning changed.

SCIENCE FACT FROM MRS ZIOGOS

Did you know that camels can down 30 gallons (113 litres) of water in just 13 minutes. The water is stored in the camel’s bloodstream, while the fatty hump serves as a source of nourishment when food is scarce.

ART

From the Art Room for all of your donations this semester.

Mrs Poulter
