Term 2, Week 3

What a fantastic start to term 2 we have had. The grade 6 children have settled in well and are showing their maturity in everything they do. The grade 5/6 team are very proud of each and every child!

Last we kicked off our term 2 Interschool Sports. We have several teams competing in Volley stars, Soccer, Football, Netball and T-Ball. Each team synergised well and we had quite a few wins on Friday. We would like to see the children putting in 100% each Friday. Please come and show your support.

Special mention to Pat, Laura and Aaron who led the ANZAC assembly. They showed their Leadership skills and confidence. Well done!
**7 HABITS AT HOME**

The Parktone Community has learnt a lot about the 7 Habits and we are learning how to apply these habits at school and in our daily lives. The ideas included here are to help your family use these habits at home.

Pick a chore or task that you have not been asked to do. Do it before you are asked. See if someone noticed. Talk with your family about your choice or the task you chose to do.

**PUT FIRST THINGS FIRST:**

*Work First, Then Play*

**Science fact from Mrs Ziogos**

Did you know that the three largest oceans on Earth are the Pacific Ocean (largest), the Atlantic Ocean (second largest) and the Indian Ocean (third largest).

Found in the Pacific Ocean, the Mariana Trench is the deepest known point in the world’s oceans. Water covers around 70% of the Earth’s surface.

**Art Room Resources needed**

If any families have wire coat hangers and blocks of wood from building projects the art room would love to take them of your hands. These will be used across some year levels to create indigenous sculptures over Term 2. Your donations would be greatly appreciated.
