

Principal's Report

WHAT A YEAR!

This is a year we will certainly not forget! It commenced with raging bushfires and followed with the COVID pandemic that required our students to learn remotely for a significant portion of the year. However, through these trialing times the community has come together to support each other. I would like to take this opportunity to thank our parent community for becoming educators at home under the guidance of our dedicated teaching staff who prepared and delivered the lessons virtually. The following saying is so true, "It takes a village to raise a child".

So, Thank You! Thank you! Thank you! To each one of you.

MONEY, MONEY, MONEY

2021 looks like it is going to be Parktone's year. We are to receive two funding allocations which are:-

'Parktone Primary School will receive \$3.466 million to upgrade and modernise your school, including a new library and the relocation of existing relocatable buildings'.

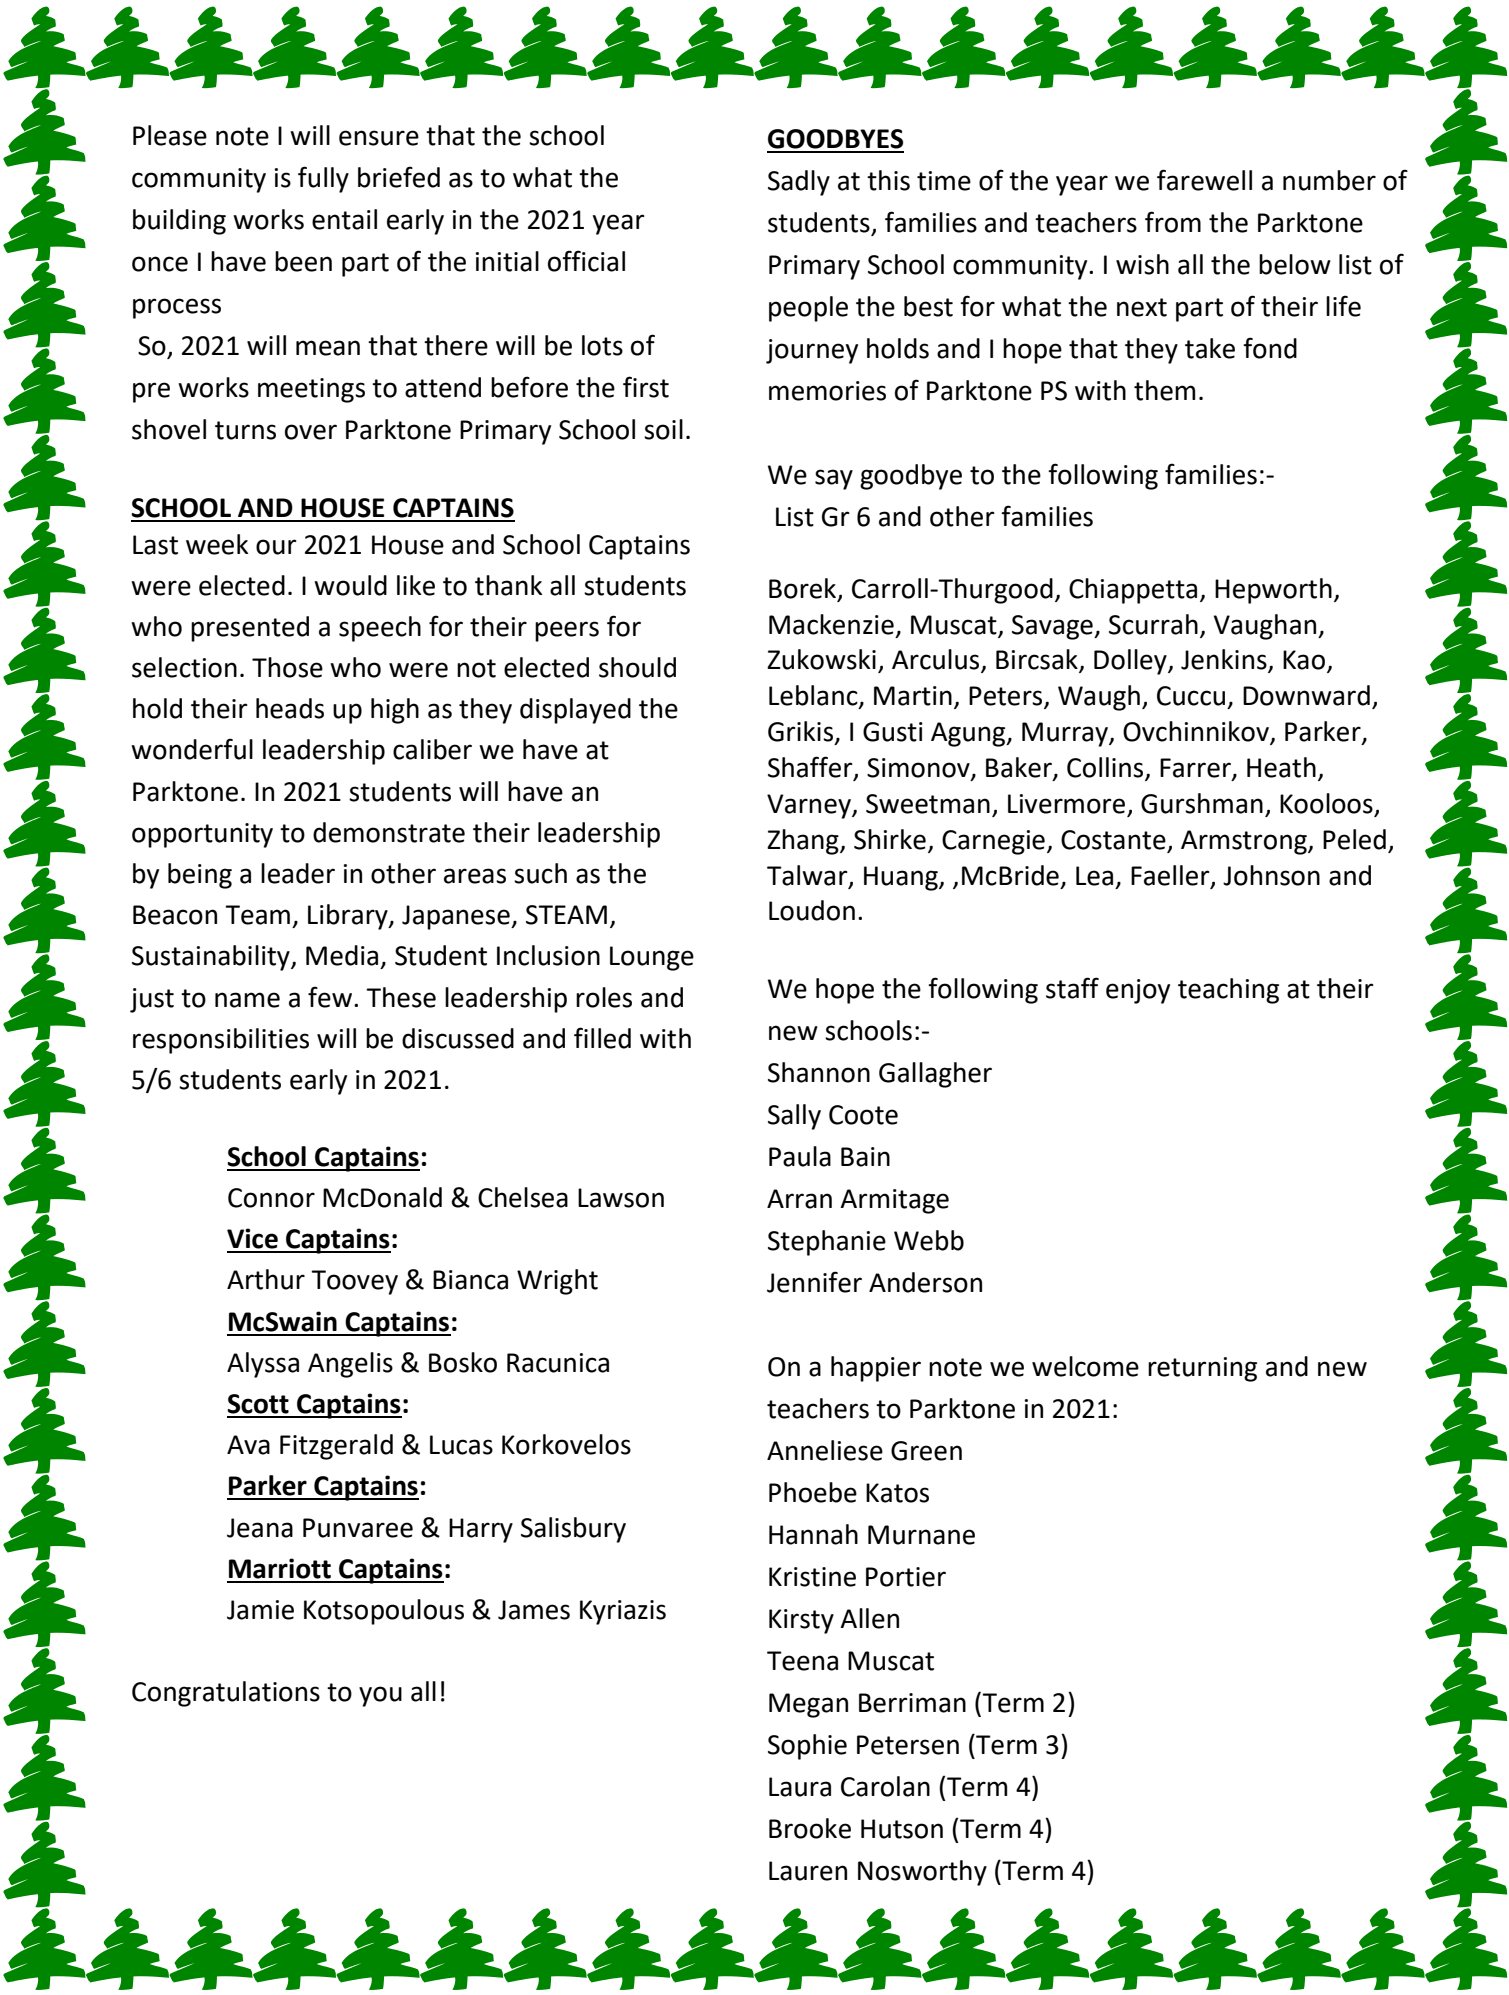

And

'The Minister of Education has approved funding of \$377,165 for delivery of acoustic materials for the stadium at Parktone Primary through the 2020/2021 Minor Capital Works fund'.

As the school has completed an Asset Management Plan (AMP) within the past five years, we will not need to undertake this again which I hope this means that the building projects can commence sooner rather than later. This means the planning parameters of the school's project will remain consistent with those previously endorsed.

Please note I will ensure that the school community is fully briefed as to what the building works entail early in the 2021 year once I have been part of the initial official process

So, 2021 will mean that there will be lots of pre works meetings to attend before the first shovel turns over Parktone Primary School soil.

SCHOOL AND HOUSE CAPTAINS

Last week our 2021 House and School Captains were elected. I would like to thank all students who presented a speech for their peers for selection. Those who were not elected should hold their heads up high as they displayed the wonderful leadership caliber we have at Parktone. In 2021 students will have an opportunity to demonstrate their leadership by being a leader in other areas such as the Beacon Team, Library, Japanese, STEAM, Sustainability, Media, Student Inclusion Lounge just to name a few. These leadership roles and responsibilities will be discussed and filled with 5/6 students early in 2021.

PARENT HELP REQUIRED

Parktone has been very fortunate to have a team of parents who have worked tirelessly on Fundraising for the school. However, it is time for the Changing of the Guard, so I am asking for you to consider being part of the Fundraising Committee.

We have established a system where some of the fundraising responsibilities is given to each Year Levels to undertake, so your role will be to support the major fundraiser for the year. This will also be a great opportunity for fresh ideas and thoughts as to what event/s will be run in the future to raise the much needed funds for school projects such as shade sails, all weather uncover area, play equipment, stadium score board and/or community board. Those members who are currently involved in fundraising are happy to continue to assist but not at the current involvement level.

So, if you are interested please make contact with either myself or a School Council Representative.

BIKE SHED

Commencing 2021 the old bike shed located at the McSwain St end of the school will no longer be in use. This means that all bikes need to be housed in the new bike area located at the oval end of the school on Robert Street. Students using this facility will only be able to access this facility from Robert Street. Please note, students will not be allowed to walk their bikes through the school grounds before or after school.

SCHOOL GROUNDS

During the school holidays the school grounds will be opened to the community to use. The single gate located in front of the stadium will be opened from 8:00am to 8:00pm each day. Please note all other gates will remain locked. If you are using the school facilities it is important that you use the bins located around the school to keep the space clean for all. I thank Will Radas who has kindly offered to open and close the school grounds during the summer holidays.

The Kiss & Go program is an initiative to help improve the road safety of children and traffic congestion around the school.

The Kiss & Go program:

- The Kiss & Go program is designed to provide families with a safe and convenient area for dropping off and picking up children.
- Is a short term stopping area for children to be able to walk between the car and the school using the safety of the footpath.
- Is controlled by the regulatory street signs and is enforced by Kingston City Council.

The Kiss & Go Zone

- The Kiss & Go zone is a short term stopping area where drivers are allowed to stop and park the vehicle for a short time – no longer than two minutes – while the student exits or enters the vehicle from the kerbside doors. This enables students to walk between the car and the school, using the safety of the footpath.
- The zone operates during peak periods allowing parents to park their vehicles for up to two minutes outside the school gates.
- This area is not a parking space and fines and demerit points apply if the driver leaves the vehicle unattended longer than 2 minutes and no more than 3 metres away.

THE KISS & GO ZONE IS A BENEFIT FOR ALL.

Thank you to all parents, guardians, teachers and students for your cooperation to ensure the safety of children at our school.

Please drive carefully around the school zones.

Kingston's programs provide encouragement, education, engineering and enforcement support to improve safety, reduce congestion and promote walking and cycling as a healthy and viable way to get to and from school.

KISS & GO ZONE

HOW TO SAFELY USE THE KISS & GO ZONE

KINGSTON
ROAD SAFETY
PROGRAMS

UNDERSTANDING THE RULES

Kiss & Go zones are for your child's safety, your convenience and to minimise congestion and confusion.

Kiss & Go rules

- The Kiss & Go zones operates under the same conditions as 'No Parking' zones. You may stop in this area for up to 2 minutes to drop off or pick up children.
- The driver may not leave the vehicle unattended. This means no more than 3 metres from the vehicle.
- This zone applies only during the hours of operation as indicated on the sign.

Remember

- **Do not leave your vehicle:**
To assist with traffic flow, drivers should remain in the car whilst children get in and out.
- **Be timely**
If your child does not get in or out of the vehicle within 2 minutes you must leave and re-enter the Kiss & Go zone.
- **Child safety**
Please ensure children get in or out of the vehicle on the kerb side. The back seat is the safest seat for children to travel in. Ensure children have their restraints securely fastened before driving off.
- **Stay in sequence**
Drop off or pick up your child close to the top of the zone, as far forward as possible. This allows vehicles following you to enter the zone in an orderly manner.
- **Driver duty of care**
Observe traffic when entering or leaving the zone. Use your indicator to advise when moving into or out of the zone.
- **No U-turns**
Do not do U-turn in busy school zones. They are dangerous and put children at risk.

Please do not stop the car until you reach the top of the queue. This helps other cars arriving behind you and shares the zone in the safest way.
