

15<sup>th</sup> November 2023

Dear Parent/Guardian,

Parktone Primary School is looking forward to another great year of teaching and learning when school resumes in 2024.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for your support, whether that is through your contributions, fundraising or volunteering your time. This has made an enormous difference to our school and the programs we can offer.

Within our school this support has allowed us to provide an enriched learning and teaching program for every student which is highly valued by our school community. At Parktone Primary School we design and develop learning and teaching programs drawing on the best education knowledge and practices and strive to offer broad and enriched opportunities to students that are above and beyond what is required in the standard curriculum, and which is provided for by government funding. Your recent support has allowed us to: -

- Maintain classroom resources such as take-home books, classroom libraries and hands on resources.
- Offer a wide range of subjects and special curriculum experiences for our students across all year levels, through the purchase of quality art, physical education equipment and resources.
- Upgrade and purchase of additional IT devices providing enhanced digital learning opportunities in all curriculum areas.
- Provide our new library with resources and furniture.
- Provide resources for the Inclusion Lounge
- Continue the upkeep and maintenance of school grounds and employ a groundsman ensuring a safe and attractive environment for all who use the facilities.
- Replace old and broken furniture.
- Support the Therapy Dog Program.
- Provide assistance to families in need.

We would like to advise you of Parktone Primary School's voluntary financial contributions for 2024. Please refer to the attached. The schedule of contributions is provided to families prior to the end of the school year for planning purposes. Further information will be provided at the commencement of the 2024 school year via Compass.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.
