PURPOSE

To explain to our school community the Department's and Parktone Primary School's policy requirements and expectations relating to students using mobile phones and other personal mobile devices (such as smartwatches) during school hours.

SCOPE

This policy applies to:

1. All students at Parktone Primary School and,
2. Students' personal mobile phones and other personal mobile devices brought onto school premises during school hours, including recess and lunchtime.

DEFINITIONS

A mobile phone is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network. For the purpose of this policy, "mobile phone" also refers to mobile phones and any device that may connect to or have a similar functionality to a mobile phone such as smart watches and similar devices.

POLICY

Parktone Primary School understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Parktone Primary School:

- Students who choose to bring mobile phones to school must have them switched off and securely stored in the school's mobile phone security case, during school hours.
- Exceptions to this policy may be applied if certain conditions are met (see below for further information).
- When emergencies occur, parents or carers should reach their child by calling the school's office.
- Teachers are not to be on their mobile phones, or other devices with a similar functionality, during class times. An iPad is provided for staff to use for educational purposes.
- Students are permitted to wear smartwatches during school hours, provided they are set to flight mode or have all access to apps and the internet disabled. These settings must be visibly verifiable by staff upon request.

Personal mobile phone use

In accordance with the Department's [Mobile Phones — Student Use Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Parktone Primary School during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical, and responsible manner.

Secure storage

Mobile phones and similar devices owned by students at Parktone Primary school are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Parktone Primary School does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to Parktone Primary School's Personal Property Policy.

In line with the Department Claims for Property Damage and Medical Expenses Policy, students and parents/carers are responsible for a student's personal item/property, including if it is lost, stolen or damaged at school. Claims for the reimbursement of the cost of a personal item/property brought to school will not be paid by the school and are not covered by school insurance. For further information, please see: [Claims for Property Damage and Medical Expenses Policy](#)

Where students bring a mobile phone to school, Parktone Primary School will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Parktone Primary School, mobile phones are signed in at the front office and secured in a lock box in a locked room and can be signed out at the end of the day.

Enforcement

Students who use their personal mobile phones inappropriately at Parktone Primary School may be issued with consequences consistent with our school's existing Student Engagement and Inclusion Policy.
